

## INSTRUCTIONS

# To buy/sell CryptoBazar Token in three simple steps:

## 1 Open Waves Wallet

1.1. Follow to  <https://waveswallet.io>

(The Top 20 Blockchain projects in the world; market capitalization \$0.5 billion).

1.2. Create new account by clicking on the button «**New Account**».

1.3. **ATTENTION!**

Be sure to write down and hide in a safe place all the words in the issued sequence in the field **Wallet Seed!**

**Having lost Wallet Seed you will NEVER be able to restore access to your wallet!** Even the Waves administration does not have access to your wallet and will not be able to help you restore access.

**DO NOT show Wallet Seed to ANYONE!**

Having received your Wallet Seed, any person will be able to enter your Waves Wallet and use your funds.

Enter any convenient user name in the field **«Name»** and password for log in the Wallet in the fields **«Password»** and **«Repeat Password»**.

A registration form with a dark background. At the top, it displays the word "ADDRESS" and a long alphanumeric string: "3PEU5x8UB1ZyWNZhSozyUfbbAQFM1htQ9UW". Below this are three input fields: "NAME", "PASSWORD", and "REPEAT PASSWORD". At the bottom, there are two buttons: "REGISTER" and "CANCEL".

**1.4.** You are logged in to your personal Wallet on Waves platform.

## 2 Deposit BTC on Waves Wallet

**2.1.** To buy CryptoBazar Token you need to get bitcoins (BTC) on your personal wallet.

**2.2.** To buy BTC or transfer it to your Waves Wallet, click on **«Deposit»** in the Bitcoin field.

**2.3.** In the field that appears, you can either:

**2.3.1.** Buy BTC from your bank card by clicking on the «**Buy BTC from you credit card**» (Attention: Watch the purchase rate, it may be more expensive than other resources)

**2.3.2.** If you already have BTC in other wallets, **copy the hash address of your Waves Wallet**

1H4rtTiZHkNfyzibg6L1GNfoSkeDpVawFt

and paste this address into the line «Send» in the wallet, where you already have BTC.

**2.4.** Send necessary amount of BTC to your personal Waves Wallet.

**2.5.** Wait until the transaction is verified and the BTC arrive at your Wave Wallet. **Verification can take several hours.**

**IMPORTANT!**

Any site takes commissions for the use of its system in its crypto currency. Waves is no exception.

**In order to make transactions in the Waves Wallet, you need to have several Waves tokens on your account.**

To do this, you need to select one of the operations described above with the BTC, and either pay to buy Waves with a bank card, or transfer Waves from your other wallets.
